BOULANGERIE

The image features a repeating pattern of 3D geometric shapes in two colors: a dark teal and a bright green. The shapes include squares, diamonds, circles, and rings, each rendered with a glossy finish and a slight shadow, giving them a three-dimensional appearance. These shapes are arranged in a grid. In the center of the grid, there is a solid dark teal rectangle. Inside this rectangle, the French word "Merci !" is written in a clean, white, sans-serif font.

Merci !
